SOLID WASTE ATTENDANT ***November 4, 2020***

Salary: Starts at \$12.96/hour Hiring Step DOQ/DOE
Full time, County Benefits Included
Closing Date: Open Until Filled

Purpose Of Class/Primary Function

The principal function of an employee in this class is to provide friendly and professional customer service to the public at the Central Transfer Station as well as the various County landfills; employees screen loads for foreign objects and toxic and hazardous materials and operate heavy equipment to perform skilled maintenance at the landfills and in the moving of Municipal Solid Waste in the transfer station and solid waste compactor. Additionally, work requires the proper handling for disposal of Non-Municipal Solid Waste for transport to the County landfills and handling of the material once at the landfills. The work is performed under the direct supervision of a Solid Waste Supervisor. The principal duties of this class are performed in an outdoor environment and include working in adverse weather conditions and dangers involving the use of heavy equipment and potential exposure to hazardous materials.

Essential Duties and Responsibilities (will vary by assignment; employees in this classification may be utilized as needed at either the Central Transfer Station or any County landfill)

- Provide satisfactory customer service including but not limited to friendly and professional verbal directions, answering questions, & providing clear explanations, as well as providing immediate physical assistance to customers in the proper disposal of municipal solid waste and construction and demolition waste;
- Records daily solid waste yardage
- Perform scheduled and assigned maintenance of County facilities including regular and daily litter pickup;
- Monitoring to ensure the proper placement of solid waste in the designated disposal areas of the Central Transfer Station and various landfills.
- Wear required Personal Protection Equipment and abide by regulatory work safety standards in the performance of daily work duties.
- Satisfactory work attendance and punctuality;
- Satisfactorily complete required training classes and attend meetings as directed;
- Operate heavy equipment including, but not limited to, front end loader, track loader compactor, and related heavy and specialized equipment, according to rules and regulations;

- Inspect loads for hazardous materials and separate hazards according to rules and regulations;
- Separate and remove foreign objects (e.g. batteries, refrigerator compressors, propane tanks, tires, air conditioners, and other designated hazardous material) from loads to be dumped according to rules and regulations;
- Separate, remove and dispose of hazardous liquids (e.g. gas, oil, paints, antifreeze, etc.) according to rules and regulations;
- Move, bury, compact, and dispose of waste, burn woodpiles, plow snow, sweep compound and weight scales;
- Perform maintenance checks and minor service work on equipment utilizing hand and power tools;
- Contact supervisor(s) and service providers for major equipment maintenance when necessary;
- Perform all work duties and activities in accordance with County and state policies, procedures and safety practices;
- Perform other duties as assigned.

Other Duties and Responsibilities

- May be required to accept and process customer payments and to reconcile financial transactions throughout, and at the conclusion of a work shift.
