I. Call to Order

President Burlage called the meeting to order at 4:30 pm on Wednesday, February 14, 2018.

II. S1248

Owens noted that S1248 is a bill relating to organ donors, amending section 39-3413, Idaho Code, to revise provision regarding certain notification. If the legislation is the same as what the ISACC members voted on in September, do we need to vote again if we oppose or support it? Buck mentioned that we should go through the IAC Legislative path. This is a gray area and do we need to clear up the statutes?

Owens is concerned about some of the verbiage and the fiscal impact with staffing. At this point, we can table it and work with ISACC to work out the details. The board says that Owens has the authority to say that ISACC does not support this bill? Owens will monitor the bill and let everyone know if an issue arises.

Buck moved to oppose S1248, Warner seconded. Motion carried unanimously.
