History: Cause of Death 1900 vs. 2020

1900	2020
1) Pneumonia or Influenza	1) Heart Disease
2) Tuberculosis	2) Cancer
3) Diarrhea	3) COVID-19

3

How was Infectious Disease controlled in 1900s?

www.menti.com

Code: 54985355

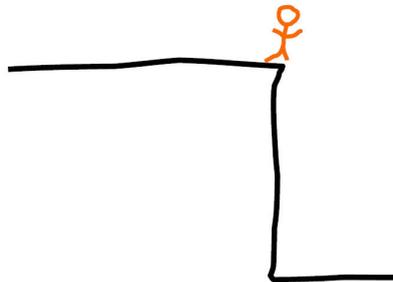

4

Control of Infectious Disease

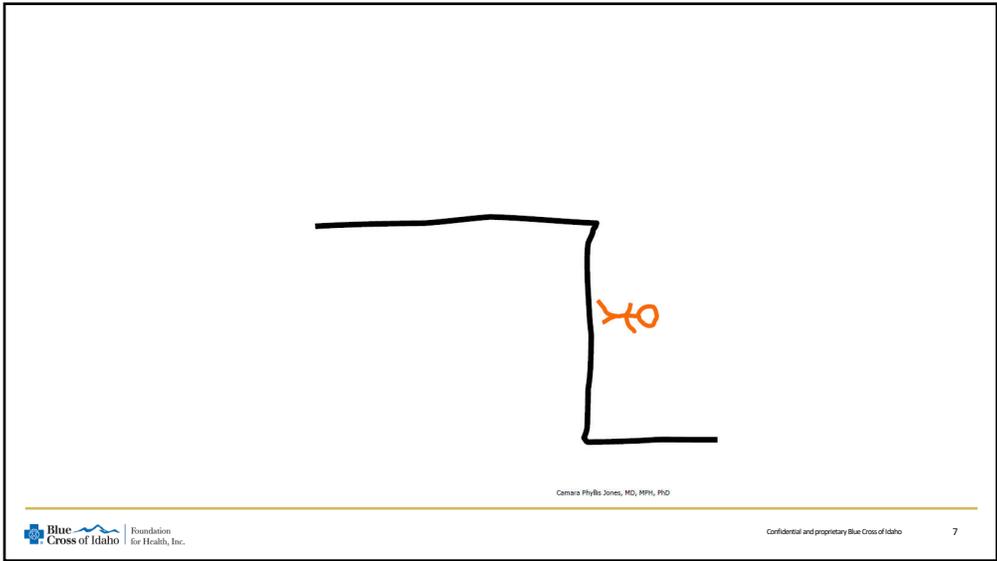

- **Vaccinations**
- **Antimicrobial Medicines**
- **Sanitation and Hygiene**
 - Local communities played a significant role in improving health:
 - Sewage disposal, clean drinking water, water treatment, solid waste disposal, animal/pest control, etc...

Choice's people make are based on the choices they have

What Makes Us Healthy

What We Spend On Being Healthy

15

Health doesn't happen in a doctor's office - it happens where we live, learn, work, and play!

16

Role of Communities

- **Local communities are a vital component to building a healthier Idaho – one size doesn't fit all**
- **Elected Officials have an important role to creating healthy communities**
- **Can't act alone - takes a variety of organizations and individuals working together to impact communities**
