Dotti Owens, Ada County, Sec/Treas

Gene Turley, Twin Falls County, District 4 Rep
John Buck, Gem County, At Large

Others Present

Kelli D Brassfield, IAC Policy Analyst

I. Call to Order

Bourn called the meeting to order at 10:05 am on Thursday, April 21, 2022.

II. Financial Assistance for Retiring Coroners

The Las Vegas invitation was sent out. 28 people have applied for the scholarship. Two on the list are retiring and two have not participated in any conferences. Bylaws are silent on attendance. Some members feel they shouldn't pay for those that are retiring. Others feel that they are still the coroner and they are going to complete their training while they are still in office. The bylaws need to be changed. There aren't as many signed up this year and there are enough funds to send them. The bylaws can be addressed after the Las Vegas training conference. As for those that don't attend conferences, the Vegas trip would be a good time to visit with them and encourage them to attend the coroner's conferences in the future.

Ernest made a motion to pay for the four scholarship applications this time but change the bylaws to address the issue, and Keene seconded. Motion carried.

Discuss bylaws in October and make necessary changes at the February meeting.

III. Adjournment

The meeting was adjourned by the chairman at 10:13 am.
