I. Call to Order

Rinehart called the meeting to order at 2:08 pm on Friday, November 12, 2021.

II. 2022 ISACC Midwinter Legislative Conference

ISACC will hold their Midwinter Conference at the Riverside Hotel in Boise in conjunction with IAC's Midwinter Legislative Conference. The group discussed ideas and delegated which members are to follow up with potential speakers as outlined below.

- **Aquatic Drownings:** Ryan Bellinger recently became certified as a dive scene investigator. Bourn will follow up to see if he could present to the group for two hours.
- **Aircraft Crashes:** The group didn't have a specific contact for this topic. Funke volunteered to follow up with his sheriff and see if there was a contact that he could reach out to for this topic.
- **Funeral Directors and Coroner Relationships:** Rinehart will follow up with John Buck to see if this is a viable topic for the next conference.
- **ISP Crime Scene Investigation:** Ernest volunteered to follow up with his contact at ISP and see if there is someone that could present to the group.
- **Idaho Department of Education:** Kim Kane requested time on the agenda for approximately one hour to talk about why the education department needs the information and what they do with it. Owens to follow up with Kim or Eric Studebaker once we have a time slot set aside for them.
- **Crime Scene and Decomposition Training:** Owens volunteered Brett from her office to present on this topic for two hours.
- **Pathologist Q & A:** Owens volunteered her pathologists and noted that they could be added to the agenda for about two hours anywhere since the conference is in Boise.
- **Vital Statistics/Medical Terminology:** Bourn will follow up with Pam from Vital Statistics on this item. Could be up to two hours on the agenda.

- **Idaho Statutes and Current Legislative Session:** Owens and Carver will present together to review relevant coroner legislation, as well as current issues at the Legislature for an hour and a half.
- **Team Building Event:** Owens would like to have a team building event if possible for an hour or hour and a half.
