General Administrator Discussion-Old/New Business:

- **Misdemeanor Training Council Update:** The first quarterly online training took place on 4/14/22 and the topic was domestic violence. Send your training ideas to Stacy. Ideas suggested included courtroom testimony and Fourth Amendment searches. This year the MPO academy will have an extra day. Discussion ensued over ARCON training. Kootenai County and Bannock County have ARCON instructors and are willing to schedule a training. The day after IJJA, 9/14/22, was suggested for an ARCON session in Coeur d'Alene. Keith will need to know numbers in order to have enough instructors per students.

- **Idaho Juvenile Justice Association Update:** The IJJA program is close to being finalized and some of the many topics include, compassion fatigue, mental health, status offenders, assessment centers, sex offender supervision, eating disorders and much more! IJJA membership dues are due at the end of this month in order to be considered for a scholarship. The conference is 9/12 and 9/13/22. The probation simulation training will take place on 9/12 from 3:15-5pm and they will need a total of 18 volunteers. Please let Shawn Hill know if you or one of your staff can help out. Positive feedback was received about the probation simulation done at the ICADD conference. Discussion ensued regarding ideas for who to invite for a future simulation (i.e. legislatures, attorneys).
- **Rule of 80 Update:** Some departments have had their payroll clerk or human resources personnel reach out already and ask for information on certified probation officers in anticipation of the July 1st rule of 80 start date. Call PERSI for more information.

Adjournment: A motion to adjourn was made by Ron at approximately 2:20pm and was seconded by Mary and passed unanimously.
