IACME and General Training Requirements (Action) – *Kristin Cundiff, IAC*

The ISACC Board needs to determine what will be approved expenses for reimbursement for IACME: Last year we covered registration, hotel, airfare/mileage, per diem, transportation to and from the airport. What is the average cost per person that we reimburse? This really depends on when the person books everything. We want to make sure we are sustainable. How many people are we covering? Over the last few years, it has been about 40 people. Last year ISACC spent \$61,271.00 on reimbursements for IACME. That didn't include the money to IACME in the amount of \$23,000.00. There is about three years in reserve but that doesn't account for what comes in.

Mike Ernest made a motion to approve the following expenses for reimbursement for the IACME Conference: registration, hotel, airfare/mileage, per diem, transportation to and from the airport and parking at the airport, Carrie Nordin seconded. Motion carried.

The ISACC Board will review case by case for those that may not be able to pay ahead of time.

The meeting adjourned at 10:47 am MT.
