I. Call to order & Roll Call

Garlock called the meeting to order at 8:00 am on Friday, September 27, 2024. 22 members were present and 22 were absent.

II. Election of Officers

Nominating committee put forth the following slate: Past president - Pam Garlock; President - Torey Danner; 1st Vice President - Lucky Bourn; 2nd Vice President - Joshua Hall; District 2- Cody Funke; District 4 - Will Carson; District 6- Mike Ernest; Legislative Committee - Scott Carver; IAC Board - Lucky Bourn.

Ernest made a motion to close all nominations, Parsons seconded. Motion carried. The vote was not unanimous. There was some discussion about what the bylaws allow for nominations. The section discussed was Article IV, Section 2. "...Each officer shall represent a separate Idaho Association of Counties (IAC) District as now exists or hereafter may be established. If a candidate cannot be found to represent a separate IAC district, the Board may hold a vote to override this criteria."

III. FY2025 ISACC Budget

Garlock presented the budget with the increased IAC administrative fee.

Ernest made a motion to approve the FY2025 budget as presented, Bourn seconded. Motion carried.

IV. Legislative Update

Scott Carver provided a legislative update. There were 19 total resolutions presented at IAC. Two of the coroner's resolutions didn't pass. The legislative committee soon to prioritize the remaining resolutions. Two resolutions will directly impact the coroners.

V. Future ISACC Meetings

There was discussion about combining the coroner's conference with the main IAC conferences. IAC staff will work with ISACC Board to determine if the logistics will work and present back to the members.

VI. New Business

There was discussion about whether or not there should be an MOU created so counties can work together. It would give the coroner the ability to call other coroners for help. This would also help in mass casualty events. There are MOUs already in place and those will be provided to use as templates.

VII. Other Business

Danner presented the Mills Adler Award to Pam Garlock as she was unable to attend the IAC conference.

A bylaws committee will be put together.

Meeting adjourned at 8:30 am.
