I. Call to Order & Roll Call - Torey Danner, Bannock County, President

President Danner called the meeting to order at 10:09 am MT.

II. Training Request (Action) – Kristin Cundiff, IAC

Blaine County deputy coroner called and would like to be reimbursed for the North Dakota training, but his coroner hasn't attended any meetings in quite some time which disqualifies him from reimbursement. Sounds like it should be covered. We don't want to punish someone who is getting training.

Mike Ernest made motion to approve the reimbursement training request, Carrie Nordin seconded. Motion carried.

III. Virtual Meetings Request (Action) – Torey Danner, Bannock County, President

There was a request to have to business meeting at the conference streamed via Zoom. There were various concerns to include but were not limited to: whether or not this option would increase or decrease in-person attendance, and the costs associated with accommodating the Zoom component.

It would cost the association an additional \$700.00/day to Zoom the entire conference. There was a suggestion to have a registration fee to attend the business meeting virtually to cover the a/v cost.

It might be a good idea to approve this request just for this meeting. This would give members a chance for those that can't attend to be heard and more discussion could be had about future meetings.

John Buck made a motion to allow for Zoom just for the business meeting at the annual conference with a cost of \$100.00/person, Josh Hall seconded. Motion failed.

John Buck made a motion to allow for Zoom just for the business meeting at the annual conference, Robert Beers seconded. Motion carried.

The meeting adjourned 10:49 am MT.
