## Equipping Idaho's Leaders for Tomorrow's Challenges

### Empowering your county starts with the right resources.

Through strategic partnerships with the IAC Board and the National Association of Counties (NACo), we have curated a selection of programs and services that deliver tangible benefits to Idaho's counties. Whether you are looking for cost-reduction strategies, time-saving tools, or increased operational efficiency, our programs are built with your county's needs in mind.

#### IAC Unemployment Fund C

The IAC Unemployment Fund eases the burden of unemployment claims for its members by providing assistance and representation, claim payments, and funds management.

#### CES E

The CES Partnership provides cost-effective, Idaho-based procurement solutions that reduce administrative burdens while ensuring full regulatory compliance and transparency.

#### Syringa E

Access a full marketplace of trusted technology and cybersecurity solutions through IAC's exclusive partnership with Syringa Networks. Skip the formal RFP process and enjoy simplified purchasing with pre-negotiated, compliant pricing tailored for our members.

#### Public Surplus Program C S T

Streamline your tax sale process through IAC's partnership with Public Surplus. This innovative portal simplifies required real estate sales, providing significant administrative savings and a more efficient online experience.

#### Natural Resource Litigation Fund Co

Managed by a dedicated oversight committee, the Natural Resource Litigation Fund ensures Idaho's counties have the financial backing needed to defend their interests in complex natural resource issues.

#### Valuation Litigation Fund A Co

Governed and funded by IAC members, the VLF provides critical financial support for expert witnesses, appraisals, and legal costs in property valuation lawsuits that have statewide implications.
