Education Funds – Kristin Cundiff, IAC

Members expressed interest in having a training during the summer and would like to travel to somewhere outside of Boise. There was questions about why there wasn't breakout session during the week at the IAC Midwinter conference. Members would like to have that in the future, as these breakouts include other affiliates, which is beneficial for them.

Idaho Fish and Game was suggested for a good presentation.

Members discussed whether or not ISACC cover the ISACC conference registration (\$150.00) and/or conference costs? The association has the funding to do so.

Gem county Coroner John Buck made a motion to cover the ISACC conference costs moving forward as long as funds are available; Lemhi County Coroner Mike Ernest seconded. Motion carried.

We should look at having some trainings with our partners (LE, and P.A.s).

The meeting adjourned at 7:03 am MT.
